Parish Priest and Parishioners
Catholic Church of St. Michael
24 Jalan Gereja
30300 Ipoh, Perak

Dear Parish Priest and Parishioners of the Catholic Church of St Michael,

On behalf of our participants and organising team, I would like to extend our sincere appreciation and heartfelt thanks to the Catholic Church of St Michael for the warm hospitality extended to us during our recent visit.

We are truly grateful for the time and effort taken to welcome us so graciously. The detailed introduction and sharing about the history, heritage, and significance of the church were both enlightening and meaningful, allowing our participants to gain a deeper understanding and appreciation of this beautiful place of worship.

We would also like to express our sincere thanks for thoughtfully preparing the goody bags for our participants. Your kindness and generosity were deeply appreciated and brought much joy to everyone.

A special word of thanks as well to those who took the time to guide us around the church, patiently explaining and showing us the various areas. The guided tour was conducted with great care and enthusiasm, making the experience both educational and memorable.

Once again, thank you for your warmth, generosity, and gracious hospitality. Your kindness has left a lasting impression on all of us, and we truly appreciate the spirit of welcome and compassion shown by the Church of St Michael.

With gratitude and appreciation,

Yours sincerely,

Veronica Pau
